

Chairperson's Message

A Message to Citizens:

The Margao Municipal Council has taken a serious commitment to bring out a change in its functioning, being on par with the changing times.

There were times when citizens had to wait for days together to obtain a birth/death certificate; today you can get the same in minutes.

Various other records viz. house tax, trade & occupation licence, signboard licence etc. have been computerized, thereby saving precious time of physically going through books. Very recently the much neglected Municipal Library has received its “e” dues with the launching of the ‘**e-Granthalaya**’ on 5th September 2009.

Keeping up the pace, the Council crosses yet another milestone with the launch of its own website. Thanks to the Chief Officer, N.I.C. Porvorim and Jr. Comp. Programmer for completion of the site as per schedule. Present times demand that information should be available at the click of the mouse. Therefore through this website all relevant information is attempted to be provided to all. Since nobody is born perfect, there can be shortcomings, however with your valuable suggestions; and continuous updating shall take care of errors if any.

Thank you for visiting our site.

Shri. Savio Coutinho
